In 2004, Jaycroix Cheese was acquired by the Fresh Cheese Company and through new distribution platforms introduced by the sales and marketing arm, The Provedore Group, the business saw enormous development and growth in the domestic Australian market and also throughout north and south Asia, Oceania, the sub continent and the Middle East. The product range is now packaged under three distinct and well recognised brands; Jaycroix Cheese, Apollo Cheese and Mamma Lucia Cheese.

- All retail 125g units are packed 12 per carton, (1.5kg net weight / 2.1kg gross weight).
- The 12 x 125g carton is 280mm (L) x 110mm (W) x 105mm (H) (volume of 0.003234 cbm).
- Private label contract manufacturing is available under different packaging sizes.
- 2kg food service packaging is available on request.
- The dedicated production team are committed to finding new at ways to maintain and improve the level of product quality.
- Products are HACCP accredited, AQIS certified, Halal certified and GM free.
